

11th of April 2019

Dear Members,

As per our earlier email, we truly hope that as many of our members can attend our upcoming AGM as possible

In advance of the AGM we wanted to give all members the opportunity to familiarise yourselves with the **current committee positions, retiring members and proposed future committee openings**.

If you are interested in joining the committee, a summary of what each committee position entails can be found on our website under "[Meet the Committee](#)". Alternatively, do talk to the current incumbent, who will be able to give you further detail.

There is also important information below regarding **proposed Rule Changes** and which will require your votes to ratify into the constitution for the 2019/20 period. To view the current Club Rules [CLICK HERE](#)

If you have any questions on the below, do feel free to contact me chairman@ndroadrunners.com or the secretary secretary@ndroadrunners.com in advance of the meeting.

Details of the North Devon Road Runners AGM (2019)

* Paid-up members only

Thursday, 25th April 2018 19h00 for 19:30 - 22:30

Barnstaple Football Club, TM Autoparts Stadium, Mill Road, Barnstaple, Devon EX31 1JQ

IMPORTANT: CLICK HERE TO REGISTER YOUR INTEREST TO ATTEND (Note: We require you to register to ensure that we cater correctly for the event.)

There is limited parking at the Football Club, but there are additional parking spaces behind the Barnstaple Rugby Club.

We ask our members to arrive early and get to your seats, as the AGM will start promptly at 19h30. Please do feel free to join us for a drink from 19h00 onwards. There will be a full cash bar at the Football Club. Please note however, that the bar does not accept credit / debit cards. We will also be offering a buffet after the meeting and hope you will all stay on to enjoy a drink and some food with your fellow club members and the newly elected committee.

It is important that your membership subscription is fully paid-up at the date of the AGM. If you are not paid-up, you will not be allowed to address the meeting, or vote on any changes being discussed. We would encourage you to check your membership status in advance and if you are unsure, please do contact memberships@ndroadrunners.com

As part of the meeting and in accordance with our rules, your current elected committee will stand down after a presentation from the Chairman and Treasurer, reviewing the club's standing in 2018. We will then vote in a new committee and reconvene the meeting after a short break.

It is very important that if you wish to stand for any of the positions, that you put your name forward in advance. The deadline for submissions is the 18th of April 2019, however the committee will use their discretion to accept nominations on the night.

We have included below those positions where the current committee member intends to stand again. (The latter will in no way impede your ability to stand against a committee member for any particular position). We have also advised of any committee positions, where the current incumbent intends to stand down. Finally, we have advised if there are any new proposed positions the club may require in 2019.

In the interim, you can review current committee positions with a summary of each role by [CLICKING HERE](#).

The Important bits:

Any further rule change proposals, (other than that described below), need to be received by 19h00 on the 18th of April in order to be considered in the agenda. At the same time, inclusion of "Any Other Business" suggestions in the Agenda, is at the sole discretion of the committee and time allowing.

You can submit your suggestions when you [register to attend the AGM](#) /or by emailing me chairman@ndroadrunners.com /or the secretary secretary@ndroadrunners.com in advance of the meeting.

We need all our members to attend! - Both long-standing and new members; including those having taken out membership while on the beginners course this year.

This is your chance to influence the future direction of the club.

Furthermore, we need our members to come and endorse the candidates they wish to elect to the committee and as importantly, the direction in which they wish their new committee to grow and improve the club going forward.

Your committee and the club has had a very busy year in 2018, with many new initiatives. A summary of this will be shared at the AGM..

Ultimately, In order to start the new year in the right direction, we need you to help us help you. So please do come along and encourage your fellow members to do the same.

NDRR is a member-driven non-profit club. You elect your committee and resultantly, you have a chance to help shape the club. Come and let your voices be heard.

We look forward to seeing you all there on the 25th of April.

Kind regards,

Your NDRR Committee

NDRR AGM :: Advanced Notification of Open Committee Positions

Committee Structure:

** We appreciate, some of the below assumes re-election of the Officers. That said, the current Committee does have the right to state the Committee Positions which are re-electable in advance of the AGM.*

In light of the number of members standing down from their Committee positions and with a view to serving our members in the best way possible in 2019, we reviewed the current positions on the Committee and have come up with a structure that we believe will cover the broadest spectrum of our needs, while keeping the Committee effective.

Proposed Structure 2019/20

Officers (as/per rule 7.):

* 7. Three members of the Management Committee including one Officer shall form a quorum.

1. Chairman
2. Secretary
3. Treasurer

Core Committee - Monthly Meetings:

1. Chairman
2. Secretary
3. Treasurer *and/or...*
4. Vice Treasurer (New Position)
5. Membership Secretary *and/or...*
6. Vice Membership Secretary (New Position)
7. Members Representative Men's
8. Members Representative Woman's
9. Coaching Representative
10. Beginners Representative

Full Committee - Bi-Monthly Meetings:

1. Chairman
2. Secretary
3. Treasurer
4. Vice Treasurer (New Position)
5. Membership Secretary
6. Vice Membership Secretary (New Position)
7. Members Representative Men's
8. Members Representative Woman's
9. Coaching Representative
10. Beginners Representative
11. Social Secretary / Event Officer
12. Logistics Officer

Officer Roles (Attending Committee Meetings on an 'as- and-when-needed basis'):

1. Race Directors (*Where they are not already members of the Committee*)
2. Race sub-committee members (*Where they are not already members of the Committee*)
3. Health & Safety Officer
4. Welfare Officer
5. Overseas Race Coordinator
6. Kit Supervision

Retired positions:

None

Summary of Committee Positions 2018/19 vs 2019/20:

- Officers: Was (3) stays (3) as/per rule 7
- Core Committee: Was (8) becomes (8 – 10)
- Full Committee: Was (10) becomes (10 – 12)

Club Rules state and regarding Committee positions:

"They (*the committee members*) shall be proposed, seconded and elected by ballot at each Annual General Meeting. They shall hold office until the next Annual General Meeting when they shall retire but shall be eligible for re-election from year to year."

With the above in mind, I wanted to give members advance notice, that while any paid-up member can put themselves forward for any committee position at the AGM, there are already committee positions where the current incumbents have indicated they will not be standing again.

Please see the spreadsheet below, which summarises the current committee positions and the new committee structure for 2019/20.

The spreadsheet below also highlights those committee positions where the current incumbent intends to stand again and will be re-elected as part of a 'block' vote when the committee re-forms as/per the agenda and if uncontested.

NDRR AGM :: Advanced Notification of Proposed Rule Changes

Rule 7 :: Quorum

Taking into consideration the number of committee members we now have. (10+), we believe that Rule 7, which determines the minimum number of Committee Members for a valid meeting (Quorum) should be updated.

PROPOSED WORDING:

QUORUM.

7. ~~Three members of the Management Committee including one Officer shall form a quorum.~~ Four members of the Management Committee including no more than two officers shall form a quorum.

Rule 29 - 30 :: Membership Fees

With reference to the rule below and the fact that it has been a number of years since any increase in annual NDRR Membership Subscriptions, the committee has come to the difficult decision that we have no choice but to propose a membership fee increase.

At present, the annual operating costs of the club do not come close to being met by membership fees alone. This will be further explained at the AGM during the Treasurers Report, but suffice to say, this position is untenable and it is not the responsibility of our Race Directors to fund the shortfall.

That said, we are a community-led, non-profit club and although the proposed increase does not serve to bridge the gap between our operating costs and our membership fee revenue, it will play a part in taking the pressure off our races to deliver the shortfall.

With that in mind, it is the committee's proposal that fees increase from **£21.50** to **£26.00** for all Memberships up for renewal after the date of the AGM. (47p per week, increasing to 50p per week).

The committee commits to review annual fees each year at the AGM and will constantly strive to lower costs in order to ensure members get value out of their membership.

ANNUAL SUBSCRIPTION.

29. The annual subscription for members shall be such sum as shall be determined at the Annual General Meeting by a simple majority of the member's presents thereat. Subscriptions shall be due on an annual basis.

30. All annual subscriptions shall be payable within one month of renewal. Any Club member whose annual subscription is not paid within the said period shall be suspended from any benefits of membership and races. Membership benefits will be reinstated from the date on which the subscription is subsequently paid but will not be backdated.

Rule 31 - 33 :: NDRR London Ballot

Last year at the AGM, the proposed wording changes were adopted and sought to remove the obligation to apply for entry to the London Marathon in advance of the Ballot and therefore remove the requirement to provide a Rejection Letter.

Furthermore, the requirement to Marshal / Volunteer at least two North Devon Road Runner hosted events, was replaced with a requirement to have accumulated 10 tokens in the calendar year, which in essence required same level of volunteering as the 2017/18 wording, but rewarded those who have actively volunteered, versus passively volunteered.

CURRENT WORDING:

LONDON MARATHON.

31. Every year, the Club applies for a number of guaranteed London Marathon places (herein-after referred to as 'club places'). Members wishing to apply for a club place must request an application form from a member of the Management Committee. The form should be completed by the member and handed to a member of the Management Committee before the deadline that shall be set and advertised by the Management Committee.

32. For a member of the club to stand chance of being awarded one of the club places, the following criteria must be met:

- a) The member must have been a fully paid up club member for 12 months, before the date of the London Marathon in question. Priority will be given to U.K.A. membership;
- b) The member must have independently applied for a place in the London Marathon in question and that application must have been rejected;
- c) The member must have proof, at the discretion of the Management Committee, that they have completed three races in club colours and a member must have accumulated a minimum of 10 tokens in the calendar year preceding the application for the London Marathon place; and
- d) Any member who has secured a club place in the previous year shall not be eligible to reapply.
- e) In the event of you securing the club place, 10 tokens will be redeemed against your available total.

33. Following receipt of application forms (Rule 31), the member's applications that satisfy all criteria as set out in rule 32 shall be randomly drawn, to the number of club places available, to decide the members who shall be awarded the club places.

PROPOSED WORDING FOR LONDON BALLOT AMMENDMENT (RULE 31 - 33):

We have received feedback from members this year past, which the committee has listened to and resultantly have included in the proposal below. In addition, the committee also proposes introducing some additional amendments, that will hopefully make the application process fairer and reduce ambiguity.

PROPOSED WORDING:

LONDON MARATHON.

~~31. Every year, the Club applies for a number of guaranteed London Marathon places (herein-after referred to as 'club places'). Members wishing to apply for a club place must request an application form from a member of the Management Committee. The form should be completed by the member~~

~~and handed to a member of the Management Committee before the deadline that shall be set and advertised by the Management Committee.~~ Every year, the Club applies for a number of guaranteed London Marathon places (herein-after referred to as 'club places'). Members wishing to apply for a club place must do so by registering for the 'ballot event entry' via the club website and before the deadline advertised by the management committee.

32. For a member of the club to stand chance of being awarded one of the club places, the following criteria must be met:

- a) ~~The member must have been a fully paid up club member for 12 months, before the date of the London Marathon in question. Priority will be given to U.K.A. membership;~~ The member must have been a fully paid up club member for the 12 months, prior to the date of the London Marathon in question. You must also have taken out U.K.A. Membership in the qualifying year of the ballot. The committee reserves the right to open up the ballot to non-UKA registered members ONLY where no valid UKA members have applied.
- b) The member must have independently applied for a place in the London Marathon in question and that application must have been rejected;
- c) ~~The member must have proof, at the discretion of the Management Committee, that they have completed three races in club colours and a member must have accumulated a minimum of 10 tokens in the calendar year preceding the application for the London Marathon place; and~~ The member must be able to provide proof that they have completed three races in club colours and must have accumulated a minimum of 10 tokens in the period from January to the ballot-draw-date for the London Marathon ballot place in question.
- d) ~~Any member who has secured a club place in the previous year shall not be eligible to reapply.~~ Any member who has secured a club place in the previous year shall be eligible to reapply. **(i.e. Remove clause)**
- e) ~~In the event of you securing the club place, 10 tokens will be redeemed against your available total.~~ To apply for the club ballot place you must register for the ballot event entry on the club website and pay with 10 tokens. In the event of you NOT securing the club place, the 10 tokens will be returned to you.
- f) **(New Clause)** The member who wins the club ballot must wear their club vest / t-shirt on race day, even if running for charity. (The charity logo can be added to the club vest / t shirt at the runner's discretion.)
- g) **(New Clause)** At the time of entering the ballot, a member should believe themselves to be fit and able to complete the London Marathon and also have the intention of running the London Marathon in the following year. Requests for deferrals should not be made by a member without undue reason.

33. Following receipt of application forms (Rule 31), the member's applications that satisfy all criteria as set out in rule 32 shall be randomly drawn, to the number of club places available, to decide the members who shall be awarded the club places. **(Clause Amendment)** The draw to take place on a club night in front of all members present.

Further to the above, amendments and/or variations to Rule 31 – 33 were received from a member.

Although the majority of the proposed amendments below are covered by the committees' proposal above, some were not supported by the committee. Particularly around point c), which seeks to remove the token requirement. This would require the membership to vote on on the disbandment of the token system altogether.

There is also a conflict with the committee's proposed amendment to e).

That said; the amendments can still be proposed by the member/s concerned and voted on at the AGM:

Secondary proposal (1):

32. For a member of the club to enter the ballot for one of the club places, the following criteria must be met:

- a) The member must have been a fully paid up club member for 12 months, before the date of the London Marathon in question.
- b) The member must have independently applied for a place in the London Marathon in question and that application must have been rejected; and
- c) The member must be an active member of the club; to demonstrate this they should have marshalled at least one club race and ran in at least one inter-club relay for NDRR in the year preceding the application for the London Marathon place (or an equivalent level of club involvement); and
- d) Should be fit and intending to take up the club place.; and
- e) Any member who has secured a club place in the previous year shall not be eligible to reapply

33. Following receipt of application forms (Rule 31), the member's applications that satisfy all criteria as set out in rule 32 shall be randomly drawn, to the number of club places available, to decide the members who shall be awarded the club places. The draw to take place on a club night in front of all members present.

Rule 44 :: Tokens

CURRENT WORDING:

GENERAL RULES.

44. Members will have the ability to earn tokens, redeemable against North Devon Road Runner hosted races, through their active participation in volunteering. Tokens may be earned at North Devon Road Runner hosted races, Beginners Courses, Winter Handicaps and Club Relays in the manner described below.

Caveats for 2018 only:

- *In the interest of fairness; tokens will retrospectively be applied to all volunteers involved with the Braunton 10 and to all Beginners' Volunteers / Winter Handicap Volunteers, who have assisted from the 1st of January 2018.*
- *You will only be able to redeem tokens against races occurring after the AGM, where the race entries are still open and only once the change to Rule 44 has been voted in.*

The amount of tokens awarded to a volunteer, are listed by category below:

- Marshalling / Water Stations :: 5 tokens
- Race Finish :: 2 tokens
- Registration & Parking :: 2 tokens (Applies to those volunteers helping prior to running the event themselves)
- Pacemaker / Sweeper :: 5 tokens
- Set-up prior to the event, including collection from the container, course mark-out etc. :: 5 tokens
- Break-down after the event, including re-packing the container, course clearing etc. :: 5 tokens
- Registration (including setting up the registration hall) / Timekeeping :: 5 tokens
- NDRR-hosted Club Relay (Marshalling) :: 5 tokens
- Club Relay (Participation) :: 1 tokens (per/relay)
- Beginners Group registered support runner :: 1 tokens (per/session)
- Winter Handicap support / marshals :: 2 tokens (per/session)
- Coaching Representatives :: 2 tokens (per/session)

Rules:

- Tokens are awarded at the sole discretion of the Race Director / Beginners or Winter Handicap lead representatives and will be issued after the event on confirmation that the volunteer completed the tasks they registered for.
- To receive tokens, the volunteer must register on the North Devon Road Runner site as a registered user (i.e. not a guest). However, the volunteer DOES NOT NEED to be a full club member.
- Volunteers may not part-pay for race entries in tokens. (i.e. You must have all the tokens required for each qualifying event in order to claim your place).
- You may spend your tokens by registering another person for an event. (i.e. Sign up another member or guest for a race using your own tokens).
- Tokens will expire 24 months after their issue date. As the Barnstaple Marathon & Half Marathon is administered outside of the North Devon Road Runner system, the method of redeeming tokens may vary. In 2018, you will be issued a voucher code for MyLaps in exchange for the relevant tokens.

PROPOSED WORDING:

As we have a number of members and non-members who have accumulated a significant amount of tokens as a result of extensive volunteering and who are unlikely to use their tokens on races alone, (for themselves /or others), the committee are pleased to announce the we propose to extend the redemption of tokens against the Annual Dinner and Coach Transport the club provides to races / events.

That said and before confirming the rule change proposal below, there has been a suggestion from member/s that we consider disbanding the Token System altogether and which we should discuss before adopting any rule changes.

Our intention is to further increase this scope, (as our system allows), to clothing in 2020. However this option may only be presented at next year's AGM.

GENERAL RULES.

44. Members will have the ability to earn tokens, redeemable against North Devon Road Runner hosted Races, **(new) Coach Transport and the Annual Dinner**, through their active participation in volunteering. Tokens may be earned at North Devon Road Runner hosted races, Beginners Courses, Winter Handicaps and Club Relays in the manner described below.

Caveats for 2018 only:

- ~~○ In the interest of fairness; tokens will retrospectively be applied to all volunteers involved with the Braunton 10 and to all Beginners' Volunteers / Winter Handicap Volunteers, who have assisted from the 1st of January 2018.~~
- ~~○ You will only be able to redeem tokens against races occurring after the AGM, where the race entries are still open and only once the change to Rule 44 has been voted in.~~

The amount of tokens awarded to a volunteer, are listed by category below:

- Marshalling / Water Stations :: 5 tokens
- Race Finish :: 2 tokens
- Registration & Parking :: 2 tokens (Applies to those volunteers helping prior to running the event themselves)
- Pacemaker / Sweeper :: 5 tokens
- Set-up prior to the event, including collection from the container, course mark-out etc. :: 5 tokens
- Break-down after the event, including re-packing the container, course clearing etc. :: 5 tokens
- Registration (including setting up the registration hall) / Timekeeping :: 5 tokens
- NDRR-hosted Club Relay (Marshalling) :: 5 tokens
- Club Relay (Participation) :: 1 tokens (per/relay)
- Beginners Group registered support runner :: 1 tokens (per/session)
- Winter Handicap support / marshals :: 2 tokens (per/session)
- Coaching Representatives :: 2 tokens (per/session)

Rules:

- Tokens are awarded at the sole discretion of the Race Director / **Coach** / Beginners or Winter Handicap lead representatives and will be issued after the event on confirmation that the volunteer completed the tasks they registered for.
- To receive tokens, the volunteer must register on the North Devon Road Runner site as a registered user (i.e. not a guest). However, the volunteer DOES NOT NEED to be a full club member.
- Volunteers may not part-pay for race entries in tokens. (i.e. You must have all the tokens required for each qualifying event in order to claim your place).

- You may spend your tokens by registering another person for an event. (i.e. Sign up another member or guest for a race / **coach trip / annual dinner** using your own tokens).
- Tokens will expire 24 months after their issue date. As ~~the Barnstaple Marathon & Half Marathon~~ is many of our races are administered outside of the North Devon Road Runner system, the method of redeeming tokens may vary. ~~In 2018, you will be issued a voucher code for MyLaps in exchange for the relevant tokens.~~ In most cases, a voucher code will be issued for you to redeem against your entry. The race director will supply information regarding the process in advance of each race.
- **(New)** The tokens required for each race / event / coach transport will be communicated to members at the time entries and/or bookings open and are at the sole discretion of the Committee and/or Race Director, who have a responsibility to ensure the issue of 'free' allocations do not have an adverse financial impact on the club.

Rule 45 :: Barnstaple Marathon & ½ Marathon

CURRENT WORDING:

GENERAL RULES.

45. Those members wishing to run the Barnstaple Marathon & ½ Marathon shall provide a non-NDRR volunteer of 18+ years to assist with the event.

It has come to the committee's attention that some of our members, who volunteer regularly throughout the year, are being unfairly prejudiced when it comes the Barnstaple Marathon & ½ Marathon rule, which stipulates providing a non-NDRR volunteer in order to run. We propose a rule amendment whereby active volunteers are exempt from this requirement. Due to the significant challenge of securing enough volunteers each year to put on the race/s, the requirement remains for those members who do not have enough tokens to enter the race/s.

PROPOSED WORDING:

GENERAL RULES.

45. Those members wishing to run the Barnstaple Marathon & ½ Marathon shall provide a non-NDRR volunteer of 18+ years to assist with the event, **(new concession)** unless the member has a sufficient token balance (i.e. ½ Marathon = 20 tokens / Full Marathon = 30 tokens), in which case, the member will be able to use their token balance as payment /or make payment as normal, without the need to supply a non-NDRR marshal. Non-members registered on our system and with sufficient tokens will also be able to use their token balance as payment /or make payment as normal, without the need to supply a non-NDRR marshal. Members and non-members may use their token balance to purchase a marathon / ½ marathon place on behalf of someone else, but in this scenario, members will still need to provide a non-NDRR volunteer of 18+ years to assist with the event, unless the member has a sufficient token balance.
